

Vermont Emergency Management EOC Operations Course

May 27th, 6-9pm at the Arlington

Vermont Emergency Management will be conducting the newly developed EOC Operations Course program on Wednesday, May 27th, from 6-9pm at the Arlington Fire Station in Arlington. This is the fourth of several offerings of this course throughout Vermont

This course examines the role, design, and functions of Emergency Operations Centers (EOC) and their relationships as components of a multi-agency coordination system. Additional topics include staffing and organization, information, systems, communications and equipment needs at the EOC, activating and deactivating the EOC, EOC operations, and EOC testing, training and exercising. It uses activities and case studies about EOCs at the local, State and Federal levels of government. This course reflects elements of the FEMA G775 EOC Management and Operations Program.

Municipal Emergency Management Directors and their associates from Fire, Rescue, Law Enforcement, Select boards, and elsewhere are invited to attend and expand their knowledge of emergency management.

The Arlington Fire Department is located on 184 Old Mill Road in Arlington. Dinner will be provided. To register, please contact Vermont Emergency Management at 1-800-347-0488.
